A word from your ADMINISTRATOR

Dear Residents,

April is here and we are hoping this month brings more sunshine than showers. I am excited to introduce myself as the new administrator at Grand Oaks Jensen Beach! Be sure to check out the Employee Spotlight to learn more about me.

This month, we are looking forward to spending a beautiful day and luncheon with our residents and families as we celebrate Easter, April 20th. The car show was a huge success, and we thank you all for coming and enjoying the day with us. Congratulations to our trophy winners for their impressive automobiles! Wow!

I'd like to wish our front desk staff a very happy Administrative Professionals Day on April 23rd. We are so grateful for your hard work, multitasking abilities, and friendly smiles. We could not provide the care or keep things going here without you.

We look forward to spending another wonderful month with all of you. Thank you for making Grand Oaks such a warm and welcoming place to call home.

Warmest regards,

Loraine Lopez

We're excited to introduce Loraine Lopez as the new administrator at Grand Oaks Jensen Beach! Many of you already know her, as she has been part of our community for the past year and a half as the Nurse Manager. Before joining Grand Oaks, Loraine spent 13 years in assisted living and memory care, starting as a nurse and working her way up to nurse supervisor, then assistant director of wellness, and eventually director of wellness. Now, as administrator, she's excited to bring together her love for nursing and leadership to make an even bigger impact on the lives of our residents and their families.

Outside of Grand Oaks, Loraine is a proud mother of two daughters and has been happily married for 14 years. Her weekends are filled with cheering on her daughter at volleyball tournaments, shopping and grabbing lunch with her mom, and unwinding with Netflix—New Girl is her favorite!

Loraine is especially passionate about memory care and loves that every day in this field brings something new. She looks forward to using her nursing background to make a meaningful impact as an administrator.
