A word from your ADMINISTRATOR

Greetings!

Happy New Year! Can you believe it's 2022?

Before we talk of the New Year, please let me take a moment to thank all of you who contributed to the Employee Christmas Fund. On behalf of all the employees, we wish to say "thank you" for such a kind and caring gesture!

With the new year comes a fresh start and a chance to look forward to all of the exciting possibilities for the next 365 days.

Here at Grand Oaks, we are grateful for the opportunity to continue to provide the high quality of care and service that we have come to be known for during the last seven years. (Seven years? Where does the time go?!)

Sometimes, after the rush of the holidays is over and all of the decorations have been put away, things seem drab and lackluster, but not here at Grand Oaks! Tim and his wonderful staff have many exciting things planned. With cooler weather, we'll be hosting lots of outings to see many of the area's fascinating attractions. Plus, we also have lots of fun filled events scheduled for right here at Grand Oaks. This year, be on the lookout for an antique car show in March, a new Veterans Wall of Honor to be unveiled in May, our annual Spring Formal in June—just to name a few of the special events already being planned.

We're excited about our commitment to you, our residents, and doing all we can to 2022 the best year yet!

Resident SPOTLIGHT

FLORA T.

Flora is a Florida native who joined our Grand Oaks Family in July of this year. Since being here, Flora has found her way into the hearts of all with her old-world southern charm and warm smile.

Prior to living at Grand Oaks, Flora was a nurse, having graduated from Duke School of Nursing in North Carolina. Flora also ran her own real estate company. However, she is proudest of being the mother of five children and grandmother to numerous grand-children and great-grandchildren. These days she enjoys singing in the choir, taking tender care of her houseplants and keeping busy with a full activities schedule.

When ask what she likes most about living at Grand Oaks, she says, "all the staff are so dedicated to making us happy."
