A word from your ADMINISTRATOR

Dear Residents,

Spring is almost here!

The final COVID vaccine clinic will be on March 5th. Please remember that it takes two weeks for your system to develop antibodies. Even then, it is still important to continue to practice infection control by wearing face masks, social distancing, and washing your hands frequently. Although you have been vaccinated, you can still be a carrier. All of our guidelines will remain the same regarding visitation and group activities until we receive further guidance from AHCA. When such changes occur, we will let you know.

Don't forget to spring forward on March 14th as daylight savings time begins. Our staff will be available to assist you with changing your clocks and watches.

To celebrate St. Patrick's Day on March 17th, we will have a Happy Hour Party. Don't forget to wear your green! March 18th is Employee Spirit Day. We plan to celebrate our awesome employees with special attire, pizza, and a token of our appreciation.

Thanks for being a part of the Grand Oaks Family! Happy March!

Warmest wishes,

Laurie Allen
Administrator

SPOTLIGHT

IRENE W.

Irene grew up in Duryea, Pennsylvania and Ashlee, Pennsylvania. She has eight siblings (4 brothers and 4 sisters). Growing up, Irene played basketball and was on a bowling league. She also LOVED to go crabbing in Florida and Maryland with her father George. It was a huge deal when the family got together to enjoy the crab Maryland style.

Irene's late husband, George "Bill", served in the Navy so Irene was a Navy wife. After the Korean War, Bill took a hiatus and they moved to New Mexico and then to Florida where they got to know about the first testing of the rockets in Cape Canaveral. After receiving her GED and her associate degree, she worked as an administrative assistant for the Florida Department of Education for about 15 years.

She has four children and 11 grandchildren living in Washington State, Florida, and Denmark. Irene also has 15 great-grandchildren! Life advice she would like to pass along to her family is that it is important to keep the communication within the family, health is important and to pray for the well-being of others.

Irene's favorite thing about living at Grand Oaks is the compassionate staff and the activities that keep her engaged and happy. When she first toured Grand Oaks, she was wide eyed at the beautiful property as well! She frequently surprises the staff with her whistling skills.

CALENDAR IS SUBJECT TO CHANGE. PLEASE CHECK DAILY ACTIVITY SHEET AT THE FRONT DESK EACH MORNING.

Widza grew up in Haiti. Her favorite childhood memories are of playing with her brothers and sisters and sitting down with her grandpa to listen to his stories.

After moving to the United States, Widza's first job was as a cleaning maid at a Days Inn. She also attended school to get her certified nursing assistant license. After attaining her licensure, Widza worked in a nursing home before coming to work at Grand Oaks.

She has been married for 22 years and has been blessed with four children. Her hobbies include shopping, cooking, and going out with family and friends. An interesting fact about Widza: she can sew clothes and can make lots of different pieces!

When asked what she likes best about working at Grand Oaks, Widza said, "The residents and my coworkers!"
