## A word from your ADMINISTRATOR

Dear Residents,

April showers bring May flowers! I see a lot of beautiful plants and flowers blooming around our community. I hope everyone takes a moment to step outside and enjoy what May has to offer.

Nurses Week is May 6th through May 12th. We would like to recognize and thank all of the nurses for the great job they do taking care of all of our residents! Next month, we will be recognizing Nursing Assistant's Week.

Congratulations to our very own Stacey Carty for completing her registered nursing degree. After a lot of studying and hard work, she is now officially an RN! Stacey is our Nurse Manager at Grand Oaks Jensen Beach and has been with us since April 2015. If you see her, please be sure to congratulate her!

It is so nice to see family members in our building again and to see more resident activity throughout the community. Speaking of activities, grab your sombrero because there will be a piñata fiesta for Cinco de Mayo on May 5th at 3:30pm! We will also have a Mother's Day Celebration to show appreciation for the wonderful moms at our community on May 10th. Please check the activities calendar for the complete list of activities.

Thank you for being a part of the Grand Oaks family!

## THOMAS & ROSEANNA M.

Thomas and his wife Roseanna both grew up in Long Island, New York. Tom has one sister, and his favorite childhood memory was going to Dodgers games with his Uncle Bill. He enjoyed playing baseball, golf, tennis, and fishing. Roseanna has three brothers and two sisters, and her favorite childhood memory was growing up and playing on a farm. She enjoyed gardening, bird watching, swimming, and reading.

Tom and Roseanna both went to Kings Park High School, where they met and were high school sweethearts. After high school, Tom worked as a union electrician for 40 years and then was a self-employed union contractor for 10 years. Roseanna worked with disabled children, first through the Catholic Church for 10 years and then through the AHRC for 30 years! Together they have three children and nine grandchildren. They are both most proud of their happy and healthy family.

Roseanna says her favorite thing about living at Grand Oaks is the nice, friendly, helpful, and accepting people here. Tom says his favorite thing is the food!

Dolores grew up in Honduras and has four sisters and one brother. Her favorite childhood memory was watching *The Flintstones* with her mom on their TV. Dolores came to America when she was 16 years old. She had to work very hard to be able to take care of herself, since she had no family here. She also worked hard to take care of her family back in Honduras.

Some of Dolores' hobbies include reading gospel books that stimulate her mind, spending time with her children, and taking long walks on the beach. The happiest moment of her life was when each of her four children were born. She has two boys and two girls. Her children were very obedient and loving kids growing up, and they were also outstanding students!

Dolores' favorite thing about working at Grand Oaks is helping the residents and getting to know each one of them. She enjoys hearing their stories and wise words. She also loves how the staff is united and wants to help each other in every way possible.
