A word from your ADMINISTRATOR

Happy November! I hope you all enjoyed Halloween and all the other fun fall activities last month. We're keeping our fingers crossed that the weather cools down a little this month.

Veteran's Day will be celebrated on November 11th. We want to thank and honor all of the residents who have served in the military. You are truly heroes to us all. On Thursday, November 26th, we will celebrate Thanksgiving. I am extremely thankful for all of my amazing residents and their families!

Please be on the lookout for the "Employee Appreciation Fund" letter that will be delivered early in November. This is a great way to show your appreciation for our wonderful staff here at Grand Oaks.

Thank you all for being a part of the Grand Oaks family and I hope you enjoy the rest of fall!

Warmest wishes,

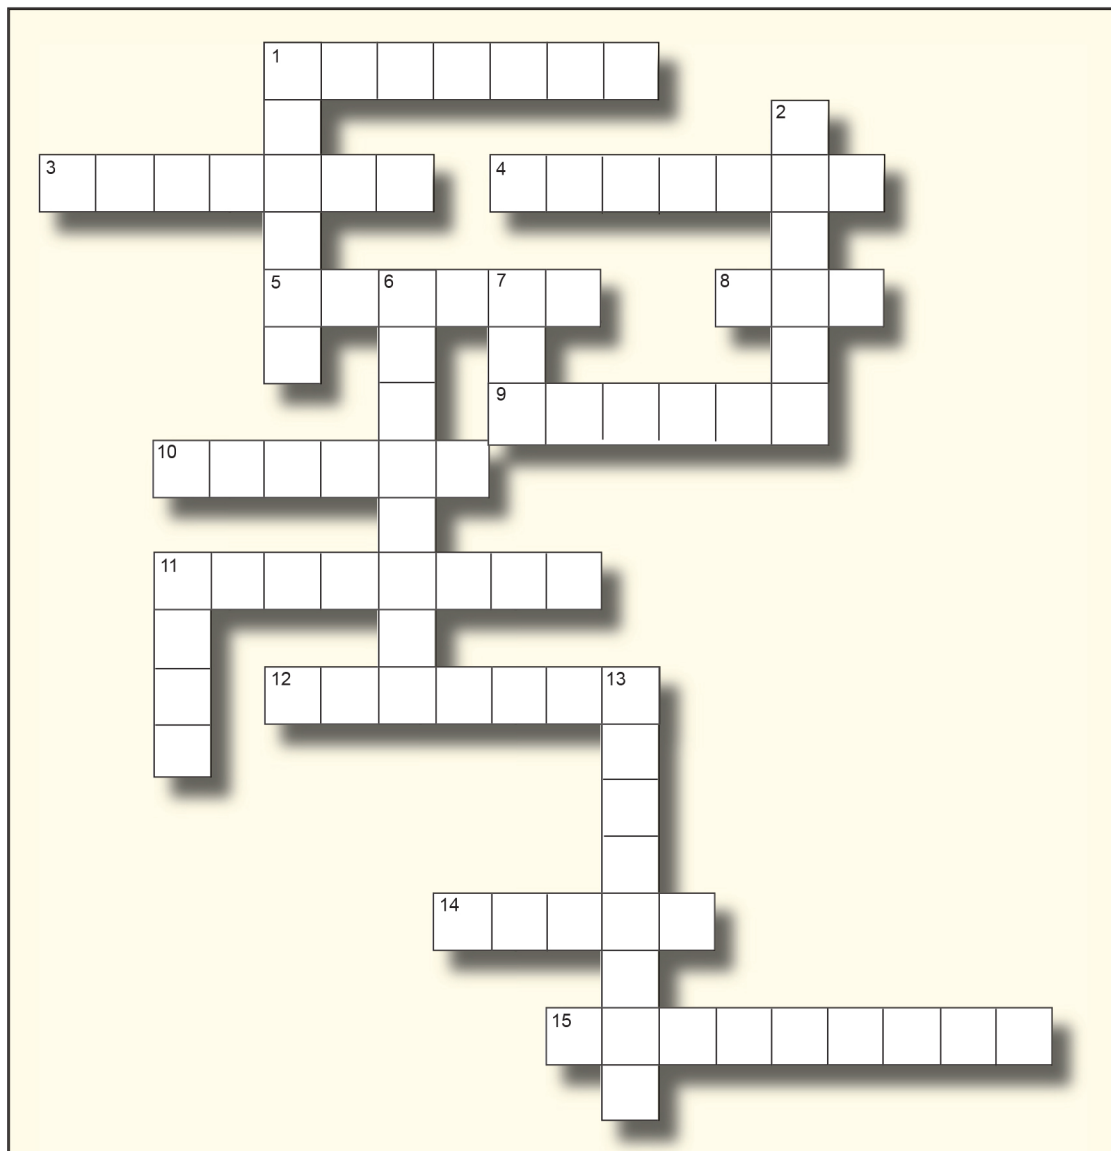

Laurie Allen

June was born in Englewood, New Jersey. She was an only child and really enjoyed art and photography in school (but not math, so much). In addition to playing hockey and dancing, her favorite childhood memory was going ice skating. She attended high school in Elkridge, Maryland where she met her late husband, Neil. They were married when she was 20 in a very formal ceremony, and they have three children named Bruce, Carolyn, and Scott. June now has three grandchildren!

Her first job was picking beans. Every Saturday, she would bike five miles to the farm where she picked the beans, making \$2.00 a day. As an adult, her favorite job was in real estate. She stayed busy by doing commercial, industrial, and residential real estate.

June says her favorite thing about living at Grand Oaks is how safe she feels during this coronavirus pandemic.
